

# BOSS<sup>®</sup>

## OPP LAMINATING FILMS

**BOSS** - THE Premium Brand Laminator Film. Superior quality is guaranteed and will exceed your expectations while outperforming inferior rivals.

**Digital Single Sided OPP Film** - Coated with a more aggressive adhesive producing a 50% higher bonding strength than standard film.

**Digital Soft Touch Single Sided OPP Film** - Laminate high quality graphic media to give a soft 'peachy' texture. Coated with a more aggressive adhesive for a better finish.

**Anti-Scratch OPP Film** - This film has anti-scratch properties whilst still giving a true matt finish. Excellent for UV varnishing and foiling.

OPP Film is ideal for laminating menus, business cards, book covers and postcards.

### Digital OPP Film:

Films	Micron	Core Size	Length	Size
Digital Gloss	up to 40 micron	up to 3"	up to 1000m	up to 440mm
