OPP LAMINATING FILMS

BOSS - THE Premium Brand Laminator Film. Superior quality is guaranteed and will exceed your expectations while outperforming inferior rivals.

Standard OPP Film - High quality OPP Single Side Laminating Film suitable for litho/offset print and most digitally produced media.

Biodegradable OPP Film - This film offers exceptional environmental characteristics.

It is manufactured with the addition of oxo biodegradable additives that break down the film via oxygen, heat and micro organisms that are present in nature. Protecting your documents as well as the environment.

OPP Film is ideal for laminating menus, business cards, book covers and postcards.
