

BOSS[®]

WIDE FORMAT PRESSURE SENSITIVE LAMINATING FILMS

BOSS - THE Premium Brand Laminator Film. Superior quality is guaranteed and will exceed your expectations while outperforming inferior rivals.

Ideal for laminating and protecting signage, exhibition graphics, pull-up and roll-up banners, information boards and commercial signage.

Boss Wide Format Film is suitable for aqueous and solvent printers.

Boss Premium Brand Pressure Sensitive Over Laminates have a permanent solvent acrylic adhesive, which makes them ideal for outdoor use.

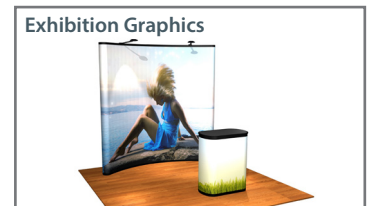

Boss Premium Brand Films also include a Self Wound Mount Film. This is a filmic carrier coated on both sides with an aqueous acrylic adhesive and single release liner, used for indoor graphics/signage, retail, picture framing and more.

Our Optically Clear Mount Film is ideal for mounting images onto clear substrates in the photography industry.

| Films | Micron | Core Size | Length | Size |
|--|------------------|-----------|------------|--------------|
